We are proud to have you as a part of our college.

Dear Student,

On behalf of Pickering Global Campus, I offer you my warmest congratulations on reaching this important milestone. Your graduation is both a celebration of your achievement and a reflection of the discipline, perseverance, and resilience that have brought you to this moment. Each module completed, each assessment submitted, and each challenge overcome has strengthened not only your academic ability, but also your confidence as an independent learner within our community.

As you progress to the next stage of your studies, I encourage you to carry forward the habits of mind you have developed here: intellectual curiosity, thoughtful enquiry, and the courage to engage with new ideas. Learning is not a destination, but a lifelong pursuit—one that calls for integrity, humility, and a commitment to continual improvement. May you continue to set high standards for yourself, pursue excellence with purpose, and contribute with sincerity through scholarship and service.

At Pickering Global Campus, we are guided by Empowering Futures, Nurturing Success, and by our mission to cultivate lifelong learning leaders of tomorrow through innovative education, fostering excellence, and embracing diversity. You will always remain part of the Pickering community, united by our values of excellence, integrity, collaboration, diversity, and improvement.
